# INSET WEEK 2025-2026

Who Are We?

---

## Our Philosophy

Infinite Learning provides high-quality professional development training for educators across Dubai, the UAE, and beyond—no membership required. Partnering with trusted and proven educational providers since 2015, we believe that in a fast-changing world, lifelong learning is essential. To prepare students for an unknown future, teachers must also grow, adapt, and keep learning.

## Bespoke Training

**Inspire.  
Educate.  
Motivate.**

A customised professional development program tailored to an organisation's specific needs and goals. It addresses unique challenges through personalised content, delivery, and outcomes.

## Our Trainers

---

We collaborate with over 180 trusted providers, covering all educational phases—EYFS, Primary, and Secondary – and offering a wide range of courses, from subject-specific training to those focused on enhancing pedagogical practice. Our partners are carefully selected based on a proven track record, refined through 15 years of hands-on experience.

We offer both open-enrolment courses and bespoke in-school training, delivered through a variety of formats including E-Learning, Face-to-Face sessions, and Self-Paced modules.

### **Helen Battelley**

Helen is a globally respected consultant, trainer, author, and speaker in early years physical activity and movement play, holding an MA in Early Childhood Studies. Known for her energetic and motivational training style, she is a leading advocate for reducing sedentary behavior and embedding movement into early education. Helen chairs the National Early Years Active Start Partnership (NEYASP), which supports evidence-informed approaches to physical development in early childhood policy. She lectures for four universities, trains teachers and coaches, and works internationally to promote movement-integrated learning. Helen is also an AfPE-approved provider and a member of the Chartered College of Teaching.

## Our Trainers

---

### **Louise Dawson**

Louise Dawson is an independent consultant specializing in Inclusion and School Improvement across the Middle East, with over 18 years' experience in Dubai and Hong Kong. She has held leadership roles in top international schools and provides hands-on support in SEN, inspection readiness, and progress tracking. Louise is Co-Founder of the International Forums of Inclusion Practitioners, Inclusion Governor for four schools, and a regular speaker at events like GESS and Outstanding Schools. She co-developed the Global Inclusive Teaching Initiative (GITI) and collaborates with tech providers to promote assistive technology in the region. Through her consultancy and training, she supports schools in delivering meaningful and inclusive education.

### **Dan Fitzpatrick**

The author of the best-selling book, *The AI Classroom: Teaching & Learning in the Artificial Intelligence Revolution*, Dan imparts invaluable insights and tactics for harnessing AI in education. His work has earned him esteemed accolades such as the Tech Champion Award at the Digital Industry Dynamite Awards and Top 30 K-12 Influencers by EdTech Magazine. Dan has helped 42,000+ educators worldwide embrace AI. He is a regular contributor in the media on all matters of AI, having featured on ITV's *Good Morning Britain*, *Time Magazine*, *Forbes*, *Sky News* and *ITV News*. Dan Fitzpatrick's unwavering commitment to the advancement of AI in education and his passion for fostering innovation in the field render him a highly sought-after expert, strategist, and thought leader. Dan's extensive knowledge and hands-on experience inspire educators, professionals, and organisations worldwide as they grapple with the challenges and prospects of the AI revolution.

## Our Trainers

---

### **Sara Haboubi**

Sara Haboubi is a dedicated and seasoned professional with over 20 years of transformative experience in Ireland, specialising in training and coaching within the realms of personal and learning development. Throughout her career, Sara has demonstrated leadership in designing and delivering innovative educational development programs aimed at empowering individuals to unlock their potential and excel on their learning journey. Grounded in a deep understanding of human psychology and advanced learning techniques, Sara is committed to fostering growth, resilience, and lifelong learning in both individuals and teams. She is widely recognised for her ability to inspire positive change and drive tangible results. Currently, Sara is excited to bring her expertise to Dubai and across the UAE, where she is eager to contribute to the elevation of personal and educational development initiatives.

### **Beth Harris**

Beth is a qualified teacher and principal and holds bachelor's degrees in education. As a qualified teacher and principal, she has served as a registered inspector for over 20 years. She conducts inspections and quality reviews across the world, including the UAE. For over 25 years, Beth has vast experience in teaching, curriculum design, assessment development and as a principal in both public and private schools across the world. She has taught and held senior leadership posts in China, Europe and the UK. Throughout her career Beth has participated in over 500 school inspections, leading many of them.

## Our Trainers

---

### **Jonathan Kay**

Jonny is a highly experienced former teacher and senior leader across Secondary and Further Education, and a former Ofsted Inspector. As a leader, Jonny led a team nominated for a TES Award having achieved the best results in England in 2019. Also working as Lead English Expert for AQA, an English, leadership and TLA consultant and speaking at conferences and national events, his book, 'Improving English and Maths in Further Education: A Practical Guide', was released in June 2021.

### **Maddison Lewis**

As an Extended Leader and Class Teacher at Horizon English School, Maddison has accumulated over ten years of experience in delivering high-quality education to students in Dubai. She holds a Bachelor of Education degree from Anglia Ruskin University and has eight years of experience as a Science subject lead. During this time, Maddison led the development and implementation of the science curriculum, fostering a culture of inquiry and innovation. Maddison has actively contributed to various school improvement priorities, including the development and implementation of an evolving curriculum, leadership in learning skills, and enhancement of student agency. She is passionate about creating an innovative curriculum that equips children with the skills necessary for their future. Additionally, Maddison is committed to establishing learning environments that reflect the world that awaits them.

## Our Trainers

---

### **Jules Murray**

Jules Murray is an experienced coach and trainer specializing in experiential learning, with a focus on leadership, culture, and strategy. A qualified NLP and Personality Profiling Practitioner, she has supported over 5,000 customer-facing staff to improve satisfaction and sales. Jules works across school improvement and leadership development, with expertise in customer journey mapping, marketing, conflict management, performance, mindset, and parent engagement. Known for her professionalism, empathy, and humour, her interactive courses challenge participants to reflect, grow, and achieve lasting results.

### **Claire Wong**

Claire Wong, NPQSL, brings 17 years of experience working across all age groups in education, with a focus on social, emotional, and behavioural development. With a background in Criminology and extensive qualifications in therapeutic approaches and leadership, she has led national and local inclusion initiatives supporting vulnerable children and young people. Claire is a committed trainer and former chair of governors, working with schools, local authorities, and organisations to promote mental health and improve outcomes for all learners.
